### Description of Premises

Colerne Village Hall is the largest community facility within Colerne and is situated near the middle of the village. The Main Hall was constructed in 1955. An extension was added in the late 1970s and a major refurbishment in 2001. The building consists of a Main Hall (with stage plus two rooms which can be used as dressing rooms) a function room, kitchen with serving hatch to the Main Hall. A Foyer, which leads to Ladies, Gents toilets plus a toilet for the disabled. On the side of the Main Hall there is a meeting room which can be hired independently from the Hall itself as it has its own entrance and toilet facilities and a kitchenette. There is a small car park adjacent to the Hall. During the 2001 refurbishment internal upgrades were made to the Hall to meet the forthcoming Disability Act. The Premises Licence covers the whole of the Village Hall but does not apply to the grounds in which it is sited.

The Village Hall is a Registered Charity and is run by a Management Committee representing User Groups and elected members of the public, who are the Managing Trustees of the Charity.

The Hall is hired by a range of voluntary organisations, private individuals and statutory organisations for a variety of activities, some of which are licensable. The agreement by email between the Village Hall and the Hirer forms the basis of the Hiring arrangement. The Booking email and Conditions of Hire draw the hirers’ attention to the health and safety and licensing obligations that the Booking places upon them. Hirers are expected to provide attendants to meet the requirements of licensing conditions.

The Hall is licensed for the sale of alcohol for consumption on the premises with permission from the Management Committee.

### Principle Uses of the Village Hall

The Village Hall is used for a wide variety of functions. These cover, but are not limited to Luncheon Club, Whist Drive, Gardening Club, Craft Group, Sewing Group, Art Groups, History Group, WI, Dancing, Fitness Groups and a Musical Theatre Group. The Village Hall Management Committee will encourage all regular users of the Hall to carry out their own Fire Safety Drills

In addition to the above, the Hall is widely used for Parties, Discos, Plays, Receptions and many other social and fund raising activities.

The Fire Risk Assessment has been done by the Village Hall Management Committee to cover all aspects of the Hall.

The Management Committee encourages Hirers to make themselves aware of exit routes, the fire fighting equipment and the plan of the Hall detailing the location of the equipment and the escape routes. The plan is available to all Hall users on the website and on the Statutory Notice Boards in the Main Hall and Denys Sargent Room.
